34-642 Dobra 506

We declare that the product: **Optistep Section Loft Ladders (OLB, OLK, OLS)** meet the requirements of PN-EN 14975+A1:2010, standard and safety requirements set out in the Act of 12 December 2003 *On General Product Safety* (Journal of Laws No. 229, item 2275) and come with heat transfer coefficient for the middle part of the loft ladder hatch **$U=1.54 [W/m^2K]$** .

Test Report No.:

1. Technical opinion OWN-OT-024/2014, Building Research Institute. Wielkopolska Branch - 28.10.2014
2. FAKRO's internal test report No. R/SCH0026/2017 – 09.08.2017
3. FAKRO's internal test report No. R/SCH0029/2018 – 05.06.2018

We inform that according to the *Construction Products Act* of 16 April 2004 (Journal of Laws No. 92, item 881 as amended), loft ladders are not construction products, as they were not covered by the scope of any of the mandates of the European Commission for the development of harmonized standards and guidelines for the development of European technical approvals. Thus, for the above products placed on the market after 1 May 2004 technical approvals may not be issued, since they are not subject to the provisions of the *Construction Products Act*. Therefore, they are not subject to the obligation of B or CE marking and issue of National Declarations of Conformity or Declaration of Performance.
